

SC - GEOVENT SMART COOL NOZZLE ADAPTER

DESCRIPTION

Smart Cool SC is an adapter with a damper, and adjustable grill for adding cooling air. With this function it is possible for the cool air to be added gradually, when extracting high temperature air from i.e. exhaust gas.

When the regulation grill is open, it will extract air from the room and mix it with the gas from the vehicle.

The product is available in $\varnothing 100$, $\varnothing 125$, $\varnothing 150$ and $\varnothing 200$ mm.

TECHNICAL DETAILS

The adapter fits between the nozzle and hose of the exhaust fume extraction system to add cool air into the extractor. This drops temperatures of extracted fumes.

TECHNICAL SPECIFICATION/AES ORDERING TABLE

Part No.	Description	Exhaust	Hose Connection	Weight
12-040	Smart Cool SC-100	$\varnothing 100$ mm	$\varnothing 100$ mm	0.90kg
12-041	Smart Cool SC-125	$\varnothing 125$ mm	$\varnothing 125$ mm	1.00kg
12-042	Smart Cool SC-150	$\varnothing 150$ mm	$\varnothing 150$ mm	1.30kg
12-043	Smart Cool SC-200	$\varnothing 200$ mm	$\varnothing 200$ mm	2.00kg
