

# NORTEK - METALWORK VICE RACK

## DESCRIPTION

A floor mounted vice rack for up to 24 piggy-back vices. Complete with single steel shelf under. Unique design features a lower tier pull-out vice storage rack with a fixed top tier each holding up to 12 Nortek piggy-back vices. Made from fully welded steel frame with powder coat finish in textured light grey.

**\*Due to the weight of the pull-out lower vice rack when fully loaded this unit must be securely anchored to the floor prior to being made available for workshop use.\***

## FEATURES
