

NORTEK - METALWORK VICE RACK WITH DRAWERS

TECHNICAL SPECIFICATION

Dimensions (LxWxH)	1100 x 619 x 830 mm
Capacity	24 Piggyback Vices
Drawer Depths	
Drawer 1	100mm
Drawer 2 & 3	125mm

DESCRIPTION

This static floor mounted fixed vice rack can hold 12 'piggyback' vices on top shelf and 12 on lower slide out shelf. A BOTT steel drawer unit below provides storage space with three lockable drawers. Supplied with 2 x galvanised steel drawer divider kits for the 100mm deep drawers to enable precise storage of small tools or fixings if required.

Due to the weight of the lower slide-out vice rack when fully loaded this unit must be firmly anchored to the floor before making it available for classroom use.

FEATURES

- Storage for up to 24 Piggyback vices
- 3 Pullout Drawers with Divider Kits
- Ground Mounting Points
- Lockable Drawer System
- Fully Welded Steel Construction

INCLUDED

- 2 Tier Vice Rack System
- Smooth Sliding 3 Drawer Storage System
- Keys
- Galvanised Steel Drawer Divider Kits

Note: Drawer can be supplied with neoprene fluted rubber covering on request. Vices not included but available on request.
