Control Spneum for NE	43212001
Control S for NE 22-76	43220001
Control S for NE 22-76	43220026
Control S for NE 86-96	43222008

DESCRIPTION

Powerful and flexible industrial vacuum cleaner unit installed on trolley, equipped with a grit/dust discharge unit on pre-separator silo. The cleaned grit can be emptied into a bucket, feed system or floor bin.

The dust is trapped in the NCF filter and collected in the second stage silo. Suitable for use in blasting halls for grit recovery and cleaning of blasted hulls and steel structures.
